PURPOSE OF THIS HANDBOOK FOR SCHOOLS & REPRESENTATIVES:

This presentation provides school Headmasters, Geography faculty, and coaching administrators a complete walkthrough of every navigation menu and automated workflow in the portal. Use this document to demonstrate the platform at school staff meetings, tuition assemblies, and social media campaigns to gather candidates for Madhyamik 2026-2027.

PORTAL ARCHITECTURE & TWO-TIER HIERARCHY

Understanding user roles, registration verification, database persistence, and safety protocols

[ROLES] PORTAL ROLES & ACCESS MATRIX

[1] Student (Candidate)

ENROLLED

Auth: Phone + Password

Full access to 6 chapters, practice tests, 90-marks mock exams, model PDF downloads, doubt submissions, and referral dashboard.

[2] Registered Teacher

VERIFIED

Auth: Institutional Phone + Pwd

Reviewed and verified by Head Admin. Evaluates assigned student answer sheets, answers chapter doubts, and tracks school candidates.

[3] Co-Admin (Assistant Admin)

CO-ADMIN

Auth: Upgraded Teacher Account

Senior teacher promoted by Head Admin Shawon Kar. Can inspect user registrations and submit approve/suspend proposals via safe queue.

[4] Head Admin (Shawon Kar)

SUPREME

Auth: admin / 7001257277

Permanent supreme administrator. Has final execution rights over all approvals, payment confirmations, content uploads, and database exports.

[WORKFLOW] TWO-TIER CO-ADMIN REVIEW HIERARCHY

To ensure 100% academic integrity and prevent accidental or unauthorized student suspensions, the platform enforces an enterprise-grade two-tier approval hierarchy:

Step 1: Teacher Registration & Head Admin Vetting

Any Geography educator registers with their school name and district. The account remains inactive until Head Admin Shawon Kar validates credentials.

Step 2: Promotion to Co-Admin (Assistant Administrator)

Experienced faculty members are upgraded to "Co-Admin". This allows them to monitor student enrollments, inspect question banks, and suggest actions.

Step 3: Safe Co-Admin Proposal Queue (No Direct Risk)

When a Co-Admin clicks "Approve Student" or "Suspend", the action does NOT apply immediately. Instead, it enters the Head Admin Review Queue as a proposal.

Step 4: Supreme Review & Instant Execution by Shawon Kar

Head Admin Shawon Kar reviews pending co-admin proposals with one click: [Approve & Execute] or [Reject]. Full audit log records who proposed and who approved.

Step 5: Head Admin Protection Guarantee

Head Admin Shawon Kar (7001257277 / admin) cannot be suspended, demoted, or altered by any Co-Admin, guaranteeing continuous portal stability.

DASHBOARD, CHAPTER PRACTICE & DUAL-TIER PDF SYSTEM

Every navigation option detailed for student exam preparation and revision

[DASHBOARD] OPTION 1: [DASHBOARD] COCKPIT

The Student Dashboard acts as the primary cockpit for the candidate upon logging in:

MP Examination Batch Validity Card

Displays student name, school name, district, and exact validity date (e.g., Active until 31st March 2027 for Madhyamik 2027 batch). Prevents expired access confusion.

Admin Live Notification Hub

Real-time alert banner showing urgent updates, routine changes, suggestion releases, and tips from Shawon Sir.

Quick Start Chapter Launchpad

One-tap jump buttons directly into Chapter 1 through 6, displaying current question completion status.

Recent Mock Exam Performance Summary

Shows marks scored in the latest 90-marks mock test, percentage, and teacher feedback highlights.

Active Doubt Resolution Tracker

Displays counts of questions where student has asked doubts and notifies when the teacher replies.

[PRACTICE] OPTION 2: [PRACTICE CENTER] (ALL 6 CHAPTERS)

The comprehensive practice engine covering all six chapters of WBBSE Class 10 Geography:

১. বহির্জাত প্রক্রিয়া ও ভূমিরূপ (Chapter 1: Exogenic Processes & Landforms)

Rivers, Glaciers, Wind action, delta formation, waterfalls, yardangs, mushroom rocks with diagrams.

২. বায়ুমণ্ডল (Chapter 2: Atmosphere & Climatology)

Layers of atmosphere, insolation heat budget, planetary wind belts, cyclones, monsoon circulation.

৩. বারিমণ্ডল (Chapter 3: Hydrosphere & Ocean Currents)

Atlantic, Pacific & Indian ocean currents, tidal cycle (Spring & Neap tides), Gulf stream effects.

৪. বর্জ্য ব্যবস্থাপনা (Chapter 4: Waste Management)

Organic, toxic, industrial, e-waste, 4R concepts, composting, segregation, environmental impact.

৫. ভারত : প্রাকৃতিক ও অর্থনৈতিক পরিবেশ (Chapter 5: India: Physical & Economic Environment)

Himalayas, Northern Plains, Peninsular plateau, rivers, soils, natural vegetation, agriculture, industry, population.

৬. উপগ্রহ চিত্র ও ভূ-বৈজ্ঞানিক মানচিত্র (Chapter 6: Satellite Images & Topographic Maps)

FCC false color composites, IRS satellites, topo sheet scale (1:50,000), grid reading, contours.

DUAL-TIER PDF REPOSITORY PER CHAPTER:

- 3 Free Sample PDFs: Open to all registered students to test question quality and clarity.
- 3 Enrolled Master PDFs: Unlocks complete verified 2M, 3M, 5M answers and diagram guide for paid candidates.

MOCK TESTS, EXAM SUBMISSIONS, DOUBTS & SCHOLARSHIPS

Madhyamik 90-marks simulation, teacher evaluation workflow, and referral incentives

[MOCK] MOCK TESTS & SUGGESTIONS

Full-length 90-Marks Madhyamik examination simulation strictly conforming to Board blueprint:

- Group A: 14 MCQ (Mandatory)
- Group B: 22 SAQ (True/False, Blanks, Match, 1-word)
- Group C: 6 x 2 Marks = 12 Marks (Short Explanations)
- Group D: 4 x 3 Marks = 12 Marks (Analytical/Comparative)
- Group E: 4 x 5 Marks = 20 Marks (2 Physical, 2 Regional)
- Group F: 10 x 1 Mark = 10 Marks (India Map Pointing)

Timed Board Environment:

Built-in 3 Hour 15 Minute countdown timer simulating real Board hall pressure. Instant calculation of objective marks.

Subjective Answer Upload:

Students take photos of their handwritten answer sheets and upload them directly for teacher checking.

[HELP] DOUBTS & SUBMISSIONS

Two dedicated navigation tabs connecting student directly with faculty:

NATIVE SMARTPHONE EXPERIENCE & OFFLINE RESILIENCE

Designed for single-hand mobile usage, offline caching, and zero app store barrier

[MOBILE APP] PROGRESSIVE WEB APP (PWA) ON PHONES

Zero App Store Barrier (Instant 1-Tap Install)

Students do not need to download heavy 100MB apps from Google Play Store or Apple App Store. Tapping "Install App" creates a native home-screen app icon in 2 seconds.

Offline Study & Caching Engine

Important chapter questions, notes, and practiced mock tests are cached locally. Students in remote village areas with intermittent mobile network can revise without interruption.

Thumb-Friendly Bottom Navigation Bar

Fixed bottom bar with large 44px tap targets: [Home] [Practice] [Mock Tests] [Suggestions] [Menu], enabling comfortable one-handed use during travel.

Safe Area Insets & Notch Compliance

Fully compliant with modern iPhone and Android screen notches and bottom home-pill bars (pb-safe, pt-safe).

Ultra-Lightweight Data Consumption

Optimized vector graphics and compact payloads consume less than 15MB mobile data per month, making it affordable for rural students.

[SETUP] STEP-BY-STEP PHONE SETUP GUIDE

Easy 3-step setup for schools, teachers, and students across both Android and iOS:

ANDROID (CHROME / BRAVE / SAMSUNG INTERNET):

1. Open portal URL in Google Chrome browser.
2. An in-app banner appears: "Install Phone App".
3. Tap [Install]. The WBBSE Geography icon installs immediately onto the home screen.
4. Opens without browser address bar like a native application.

APPLE IPHONE / IPAD (SAFARI BROWSER):

1. Open portal URL in Safari on iPhone / iPad.
2. Tap the Safari [Share] icon (square with upward arrow) in the bottom toolbar.
3. Scroll down and select "Add to Home Screen".
4. Tap [Add] in the top right. High-resolution Apple Touch Icon is created.

INSTITUTIONAL QR CODE SCANNING:

School teachers can print the portal QR code on school noticeboards. Students point their camera and get instant access without typing lengthy web addresses.

SCHOOL DEMONSTRATION & SOCIAL MEDIA CAMPAIGN TOOLKIT

Ready-to-post announcements, teacher incentives, and direct contact helpline

[ACTION PLAN] STRATEGIES TO GATHER CANDIDATES IN SCHOOLS

1. Staff Room & Subject Committee Presentation
